ABOUT SLEEPER MAGAZINE

Established in 1999, Sleeper is the leading magazine for hospitality experience and design. Published bimonthly, it covers new hotel projects worldwide with exclusive insight from all those involved in creating a memorable stay.

INSIDE SLEEPER

Unrivalled coverage of the latest projects, products, practices and people shaping the industry

DRAWING BOARD

Our Drawing Board offers exclusive previews of new hotel developments worldwide. With CGIs, visuals and renderings of the most exciting new hotels breaking ground, under construction, and topping out, we bring you the hotels of tomorrow, today.

THE LOBBY

From pop-up concepts to the rise of co-working spaces, The Lobby looks at the trends and developments within the hospitality sector.

FEATURES

Our longform features dive into the latest hotel design, development and experience trends by way of in-depth articles covering a broad range of topics, from sustainability and groundbreaking hospitality concepts to alternative forms and the industry's future.

MEETING...

Our interviews profile leading hoteliers, interior designers and architects. Recent interviewees include the likes of David Rockwell, Jean-Michel Gathy and Liran Wizman. Each issue also features our 'Check-In' page, in which a leading designer or architect checks in to their fantasy hotel.

HOTEL REVIEWS

Sleeper covers more hotel projects worldwide than any other magazine. Our globetrotting team of contributors are constantly on the lookout for the latest and most interesting openings. These are visited in person and reviewed with insightful editorial alongside high-quality colour photography of interiors and exteriors.

LOCATION REPORTS

Featuring market overviews, statistics on performance and pipeline, and in-depth reviews of the most interesting new hotels, our location reports examine the hottest destinations for development.

SPECIFIER

Our Specifier pages offer regular coverage to companies who supply products or provide services to the hotel industry. With a focus on real-life hotel applications, we cover new product launches and case studies, creating a directory that is regularly referenced by specifiers.

SPOTLIGHT

Each issue also includes a comprehensive round-up of new products within a particular aspect of hotel specification. Furniture, fabrics, wallcoverings, sanitaryware, lighting and flooring are covered on an annual basis, while secondary features examine the likes of technology, artwork and greenery.
